

“INFOSOFT’S GOT TALENT”, SHOWCASED IN THE CHRISTMAS PARTY CELEBRATION.

Britains done it. American’s made it. But before “Pilipinas Got Talent”, Infosoft completed it first with its “**Infosoft’s Got Talent**” Christmas party. **Last December 23, 2009** at the **Mactan Ballroom of Edsa Shangrila in Ortigas**, Infosoft’s workforce showcased their creativity as they performed their flair to be the big winner in this exciting celebration.

Auditions were conducted and screened by **Infosoft’s Managing Director Dennis de Jesus**, and **Support Manager Ivy Tarrobago – Moll**. Among the ten clusters, only six were chosen to advance to the finals night. First to get in was the “**ASTI group**” of **Acapellas** from the Support Department but the **Shinigamis** was unstoppable as they had taken the 2nd slot. The audition fires up as the “**Dream Team**” occupied the 3rd slot of finalist. **The “Jabarrs”** took the 4th slot that tightens the competition. The small but terrible “**Innocentes**” shocked everyone as they forward on the 5th slot. And as the audition closes, “**the Queen of the Night**” **Anna Racelis** with her solo number completed the roster of finalist of “Infosoft’s Got Talent”.
